COMMUNICATION

Commissioner for Patents
Washington, D.C. 20231

Sir:

In connection with the above-referenced application, Applicants submit herewith the substitute specification with attached drawings as well as a red-lined version of the same to show marking of changes.

The purpose of this submittal is to delete cross references to the applications previously filed, to rearrange certain paragraphs for clarity and to correct obvious typographical errors. No new matter has been added.

Applicants also submit that the application is now a new regular application without claiming the benefits of the earlier filed applications.

Respectfully submitted,

By: [Signature]
